

Logicoil provides quality marine bunkering services in the port of Darwin.

Darwin, June 2012: Logicoil has established itself as a supplier of quality marine bunkering services in the Northern Territory.

Recently given the opportunity to refuel a super cruiser that berthed in Darwin, Logicoil was overwhelmed with the interest from the media and locals. The captain of the vessel was impressed with the ease of dealing with Logicoil and the professional manner in which the delivery was completed.

Logicoil has the ability to provide bunkering services for fuel and lubricants.

Rob Pearson, Logicoil's Regional Manager can be contacted on 0418 895 309 for professional service and friendly advice on products and delivery.
